BUILDING COMMUNITIES OF OPPORTUNITY

Transforming Underserved Communities

At the **Washington Area Community Investment Fund**, we believe in leveling the playing field for all entrepreneurs throughout the region to create stronger communities, close the opportunity gap, and empower people with financial independence.

Your donation helps Wacif provides the right investment and support to catalyze this potential by providing technical assistance and small business services to help entrepreneurs start, grow, and develop businesses throughout the Washington, D.C. metropolitan area.

Delivering Social Impact through Entrepreneurship

If investments are made with intentionality in the **social capital** and **knowledge capital** of entrepreneurs, then **financial capital** will be more catalytic.
